How Many Beats

ANSWERS

Add the value of the note or rest on each heart and write the total on the line to the right. (♩ = 1 beat)

$$\text{Heart with whole note} + \text{Heart with quarter note} + \text{Heart with half note} = \underline{7} \text{ Beats}$$

$$\text{Heart with quarter note} + \text{Heart with eighth note} + \text{Heart with dotted quarter note} = \underline{6} \text{ Beats}$$

$$\text{Heart with half note} + \text{Heart with whole note} + \text{Heart with half note} = \underline{10} \text{ Beats}$$

$$\text{Heart with quarter note} + \text{Heart with eighth note} + \text{Heart with dotted quarter note} = \underline{3} \text{ Beats}$$

$$\text{Heart with half note} + \text{Heart with quarter note} + \text{Heart with quarter note} = \underline{8} \text{ Beats}$$
